Ware Riding Club

June 14th 2007

Dear Lisa,

I would like to thank Ware Riding Club for their extremely generous donation of £500, which we received today. We are thrilled to have received such a fantastic donation.

The Blue Cross has 3 equine welfare centres based in Burford, Oxfordshire, Northiam, East Sussex and Rolleston on Dove, Staffordshire.

Our aim is to rehabilitate horses and ponies, which come into our care due to neglect, if they are unable to be cared for by their owners or if they have behavioural problems. We then re-home them in approved loan homes.

The Blue Cross receives no Government funding for the work that we do with animals, therefore, we rely on the generosity of supporters like yourselves to enable us to continue our valuable work in the rehabilitating horses and ponies at the Blue Cross equine centres.

I would like to assure you that the money you donated will go directly towards helping those horses and ponies that are in our care.

Once again thank you so much for your generous donation from all of us here in the equine welfare department.

Kind regards

Callie Rose
